

Systemic Team Coaching – Why it's the fastest growing field of coaching

Workshop with Prof. Peter Hawkins, PhD

B41

In this short workshop, Peter Hawkins will explain and discuss why Systemic Team Coaching is the fastest growing field in coaching. This event is aimed at people who lead, coach or consult, who want to discover more about how you develop leadership teams that are more than the sum of their parts.

The following topics will be covered:

- Why the world is moving from heroic leaders to collective leadership teams
- The current and future challenges for leadership teams
- How to develop teams that are more than the sum of their parts
- How to coach teams to create beneficial value with and for all their stakeholders
- The Five Discipline Model of High Value Creating Teams
- The key steps in the team coaching journey

Speaker **Prof Peter Hawkins** is Emeritus Professor of Leadership at Henley Business School and founder and Chairman of Renewal Associates. He is a leading consultant, writer and researcher in leadership and leadership development and an international thought leader in executive teams and systemic team coaching.

Target audience Coaches, Team Coaches, OD consultants and leaders.
